BRAND MISSION

CURRENT MARKET TENSION

There was a fresh, crunchy baguette at the beginning...
Looking at it, we asked ourselves three questions:

- Does fast food automatically mean an uncultured compromise?
- Does gastronomy built on quality ingredients always have to be expensive?
- And finally, is it necessary to employ serious tone every time we talk about quality food?

OUR MISSION

Democratization of European gastronomy (not too seriously).

**BAGETERIE
BOULEVARD**

„CHEF IS ALWAYS RIGHT“

GET YOUR HANDS ON EUROPEAN CUISINE!

How about discovering the many treasures of European gastronomy with the speed of a fast food? The quotes are entertaining and a bit educative.

WE HAVE DONE EXACTLY THAT.

**BAGETERIE
BOULEVARD**

SHOP DESIGN AND PACKAGING

Covered with Chef's stories

Short quotes from european chefs about the well known as wells as less known peculiarities of their regional gastronomy and local eating habits. Theese are featured on our restaurant walls as well as on most of the product packaging.

CORE PORTFOLIO

Fresh and grilled baguettes in four types of bread.

The basic BB product is a French baguette filled with fresh and healthy ingredients. Their complexity varies from simple recipes (meat, fish or vegetarian) to sophisticated haute cuisine recipes drawing inspiration from the culinary tradition of world-renowned European gastronomy.
